## **ATTENDANCE Message Line 522-6410**

1. If you are absent from school, your parent/guardian should call the attendance line before 10:00 am. If you are marked absent and your parent/guardian hasn't called, a computer phone call will be made to your home. Your unexcused absence must be cleared within **48 hours** by phone or note. If you have unexcused absences, you will be considered truant. School officials may periodically confirm telephoned excuses with parents.
2. If you plan to be absent from school for more than one day, your parent/guardian should send a note to the main office at least two days before you leave. Make arrangements with your teachers regarding your missed learning.
3. If you have a doctor, dentist, or other appointment, your parent/guardian should send a note or call the attendance office on the day of the appointment. A pass to leave the building will be prepared and ready for you to meet your parent/guardian **at the office** when it is time for you to leave. **Your parent or guardian must sign you out at the office.** When you return from your appointment, stop at the attendance office before returning to class. For an absence to be designated a medical absence, please provide documentation from the doctor's office.
4. If you are going to be absent from school because of a school-related activity, your coach or teacher in charge of the activity will inform your teachers of your absence. It is your responsibility to get assignments.
5. If you are tardy report directly to the office. Chronic tardiness, excused or unexcused, will result in appropriate disciplinary action.
6. Chronic absences, excused or unexcused often have a negative impact on learning. Ten absences in a school year are considered excessive and may result in attendance notification. (REF. Policy #3122).

## **CLOSED CAMPUS**

The middle school campus is "closed" all day, meaning that non-students are not allowed on campus unless they check in at the office, and students are not allowed off campus without permission.

## **DISCIPLINE**

Students must exhibit responsibility to themselves and others while being assured a physically and psychologically safe environment. A major responsibility in educating children is to define, implement, and enforce consequences and accountability. All consequences will be administered in a caring manner where the child's dignity and self-worth is protected while inappropriate behavior is addressed. School rules are determined by school/district policies and state law. Please see **Appendix B** for further details on the SMS Discipline Policy; full information is available on school website.

Students and families are encouraged to stay informed of current levels of learning by checking PowerSchool regularly. (Ref Policy #2420)

**STANDARDS BASED GRADING (more information is available on the district web site, school web site, and at the office)**

Beginning in the fall of the 2018/19 school year, both middle schools will be transitioning to a standards based system of grading and reporting. Scores will be provided to indicate where a student is in his or her learning relative to a specific learning objective (proficiency level). Seperate scores will be reported to communicate the behaviors--or characteristics--of a successful learner (ie. perserverance or organziation seperate from math or reading ability).

Proficiency levels are used to indicate the current level of learning in a given class or subject. A numeric value is used to indicate the current evidence of student understanding and application of the significant standards of that subject. The goal for all students is to master concepts and skills--identified at proficiency level 3.

**Academic Score Descriptors**

Proficiency Level to Date	Descriptor	Actionable Language
3	<b>Proficient</b>	<u>Mastery of standards.</u> The student demonstrates mastery of concepts and skills. Performance is characterized by the consistent ability to apply skills and strategies with accuracy, quality, and independence. A level of "3" is the goal for students to achieve.
2.5	-----	The student is showing significant progress toward the mastery of concepts and skills but has not yet reached it. Performance is becoming more consistent and higher quality, but student still requires support.
2	<b>Developing</b>	<u>Developing an understanding of standards.</u> The student is making progress in concepts and skills. Performance is characterized by the ability to apply skills and strategies with varied consistency, quality, and support.
1	<b>Emerging</b>	<u>Acquiring a basic understanding of standards.</u> The student is beginning to understand basic concepts and demonstrate basic skills. Performance is inconsistent and application of skills and strategies needs considerable support and guidance.

**Other Scores**

4	<b>Advanced</b>	<u>Exceeds mastery of standards.</u> The student independently and consistently demonstrates advanced understanding of course standards. Performance is characterized by higher level thinking and application of skills in rigorous and complex situations. In some cases a "4" may not be an available level.
3.5	---	Has mastered all previous skills/concepts, and is progressing to the next level of learning.
1	<b>Insufficient Evidence</b>	Little or no evidence has been demonstrated.

### Attributes of a Successful Learner

Many skills are necessary for success in school and that further support academic learning. The Attributes of a Successful Learner are often prerequisites for achievement in college or career. The attributes have been separated from the academic reporting in each class to allow for accurate report on learning as well as to provide meaningful feedback on the development of each attribute. The following attributes have been identified as significant for success at the middle school and beyond:

- **Organization**  
Prioritizes, sets goals anticipating needs and hurdles, properly manages time and meets deadlines.
- **Engagement**  
Listens actively, participates and contributes, works well collaboratively and independently.
- **Perseverance**  
Sustains a high level of effort through difficult concepts; demonstrates persistence in pursuit of excellence.
- **Universal Expectations**  
Actively involved in a way that is safe, responsible, respectful, positive and kind.

**Attribute Score Descriptors**

Proficiency Level to Date	Descriptor	Actionable Language
3	<b>Proficient</b>	The student demonstrates this attribute. She or he rarely requires any prompting and often models this attribute for others.
2.5	-----	<b>All of Developing and significant effort towards improving this attribute is apparent.</b>
2	<b>Developing</b>	The student sometimes demonstrates this attribute and requires frequent reminders and support from the teacher.
1	<b>Emerging</b>	The student seldom demonstrates this attribute and requires constant reminders and support from the teacher.

**Other Scores**

4	<b>Advanced</b>	The student always demonstrates this attribute without prompting, and encourages/helps others to do the same
3.5	---	<b>All of Proficient and significant effort towards improving this attribute is apparent.</b>
I	<b>Insufficient Evidence</b>	<b>The student makes no effort in demonstrating this effort.</b>

## **SAFETY RULES**

### **Drop Off/Pick up**

When picking students up for appointments, arriving late, or leaving early, park in the front oval lot. Before and after school, students should be dropped off and picked up in the north parking lot or front oval.

**Fire or Evacuation Drill** - When the fire alarm goes off, everyone must leave the building in a quick and orderly manner. Learn which exit to use during each period of the school day. The off-site evacuation location is Morning Star School.

**Bus Students** - Stand well away from the curb until the bus is completely stopped. The school bus is an extension of the classroom: school rules apply while riding the buses.

**Medication** - School nurse: 522-6057

Bozeman Public Schools policy requires medications be given at home whenever possible. An individualized healthcare plan must be established indicating the necessity for long-term medication during school hours. Under no circumstance should school personnel provide aspirin or over the counter medications. (Ref. Policy #3416)

**Medical Disclaimer** - Should there be a need for medical treatment, parents are responsible for all medical expenses. For a reasonable cost, there is medical coverage available through Northwestern Scholastic Insurers. Application forms are available through the district school offices and athletic departments.

## **TEXTBOOKS**

At the beginning of some of your classes, your teacher will issue you a textbook. You are responsible for this book for the rest of the school year. The wear and tear brought about by daily use is expected; however, unreasonable damage will result in fines. If you lose a book, you will be expected to pay for it.

## **VIDEO SURVEILLANCE**

The Board authorizes the use of video cameras on District property to ensure the health, welfare and safety of all staff, students, and visitors to District property and to safeguard District buildings, grounds, and equipment. The Superintendent will approve appropriate locations for video cameras. The Superintendent will notify staff and students, through staff and student handbooks or by other means, that video surveillance may occur on District property. (Policy 3235)

## **VISITORS**

Students are requested to not invite visitors to attend school as they tend to distract from the learning in the classrooms and present potential safety concerns. Exceptions are occasionally made based on previous attendance at SMS or to share valuable information with students. All exceptions must be arranged with the principal prior to the visit.

Additional Offenses: Student will correct the violation and will be assigned ISS.

APPENDIX B

**SMS GENERAL DISCIPLINE POLICY**

Students must exhibit responsibility to themselves and others while being assured a physically and psychologically safe environment. A major responsibility in educating children is to define, implement, and enforce consequences and accountability. Consequences must be fair, firm, and consistent. The following document lists clear expectations for behavior and clear consequences for unacceptable behavior. All consequences will be administered in a caring manner where the child's dignity and self-worth is protected while inappropriate behavior is addressed. School rules are determined by school/district policies and state law.

**General Expectations**

The SMS Behavior Expectations have been developed to encourage a positive learning environment. Our school rules are based on these principles:

1. Each individual has dignity and worth.
2. A free society requires respect for person, property, and principles.
3. Each individual is responsible for his or her own actions.
4. Each individual has a responsibility to the group as well as to the total society.

Students, staff members, and parents are informed about discipline policy through the Sacajawea Middle School Agenda. The following procedures will be used when a student is referred for a rule violation:

- a. The student will be informed specifically of what rule has been violated.
- b. The student will be provided the opportunity to present an explanation.
- c. The consequence for the rule violation will be determined by school, or district policy, state law, and the judgment of the person administering discipline. "Judgment" may include referrals to other appropriate school programs or resources such as counselor, student assistance programs and Department of Family Services.
- d. Parents/Guardians of the student will be contacted by phone and/or mail and the procedure will be outlined for them.

**School Discipline Guidelines**

- a. Teacher develops classroom procedures.
- b. Teacher explains classroom rules to students.
- c. Teacher informs parents about classroom rules through distribution to students of class disclosure documents. Parental acknowledgment needs to be signed and returned.

- d. Teacher assigns detention or other consequence to students who exhibit inappropriate behavior.
- e. Teacher contacts parents for repeated inappropriate behavior.
- f. Teacher refers to the principal or assistant principal students whose classroom behavior continues to be inappropriate.
- g. Student misconduct of an extremely disruptive nature--for example, fighting, swearing at a teacher, or endangering other students--will result in immediate removal from the classroom. Consequences are determined by school or district policy, state law, and the judgment of the administration. Parents will be contacted.
- h. Wearing a hat is not allowed at SMS unless as specified for special occasions.
- i. Laser pointers are not allowed at SMS. They will be confiscated and not returned.
- j. Expensive items are discouraged from being brought to school. Students are responsible for any such item brought to school and the school will not be responsible for loss or destruction.

### **The Falcon Four SMS Guidelines for Success**

- 1. **Be prepared**
- 2. **Be positive**
- 3. **Be respectful**
- 4. **Be responsible**

### **Forms of Consequences at SMS**

**Confiscation:** Items inappropriate for or disruptive to schools including, but not limited to, studded items, fireworks, matches, cap pistols, lighters, knives, noise makers, laser pointers, cell phones, tobacco, drug paraphernalia, will be taken away. Confiscated items may not be returned and illegal items may be given to a law enforcement officer.

**Restitution:** Damaged or stolen items need to be replaced or repaired. An estimate for repair or replacement will be furnished to the student. The student and his/her family will be responsible for the cost of repair or replacement. As necessary, arrangements can be made for a student to work to pay a debt.

**Detention:** Not to exceed 45 minutes. Assigned and supervised by the teacher. A one-day notice, verbal or written, must be given and student and parent are responsible for transportation.

**Time Out Study Hall (TOSH):** A teacher may send a disruptive student from his/her classroom to TOSH. A student sent to the TOSH may be assigned to "Zero Period" the next school day.

**Zero Period:** Zero period is 7:30-8:10 AM. Zero Period is used primarily as a consequence for certain types of misbehavior including previously mentioned classroom disruptions, general school misconduct that mainly occur in the hallways, bus duty, or missing a teacher assigned detention.

**In School Suspension (ISS):** This is administered by the principal or assistant principal. The student is permitted to come to school but is kept in a room apart from other students for one to five days. Parents are contacted by the child, principal or assistant principal. Students will receive credit for schoolwork completed during the suspension and will visit with the grade level counselor.

**Out of School Suspension (OSS):** This is administered by the administration. Short term OSS suspension will be one to five days and long term out of school suspension will be six to ten

days. Student is sent home and is not permitted to come to school or be on school property. Parents are contacted and a letter is sent home. Students will receive credit for schoolwork completed during the suspension. Student and parents will meet with the administration before reentering school.

**Expulsion:** A student is removed from the Bozeman School District for a specified period. This requires recommendation to the Superintendent and Board action.

## APPENDIX C

### **CHEMICAL DEPENDENCY PREVENTION**

#### **Parents and Students**

Alcohol and other drug abuse is a national as well as an identified local issue. The Bozeman Student Assistance Program is one way to deal with this concern along with other personal problems that may manifest themselves at school. Sometimes disturbing situations are noticed at school. Concerned individuals can confidentially refer students to Student Assistance Teams. These small groups of trained staff members are available in each school. A confidential referral does not necessarily mean a student has a problem.

Federal law states parents and students must be told about alcohol and drug laws, health risks, school rules, and helping resources. The Bozeman School District is committed to keeping its schools alcohol and drug free. Student use of alcohol or drugs at school and/or school activities is illegal and harmful. Students may be suspended, expelled, or referred to law enforcement agencies. Students may also be required to see a counselor or attend a drug treatment program. The district does not pay for drug treatment or private counseling.

#### **Alcohol and Drug Laws**

It is against the law for people under 21 years of age to drink or possess alcoholic beverages. Parents will be notified if their son or daughter is in violation, and a citation may be issued and counseling may be required. Contributing alcohol to minors is illegal. Illegal drug use is wrong and many career opportunities may be forfeited. Penalties for dangerous drug use or sale can be harsh. Juveniles can be tried as adults. A conviction of selling drugs within the "Drug Free School Zone" (within 1,000 feet of school property) carries additional penalties and fines. Property can be seized.

#### **Tobacco Policy**

All school district buildings and grounds are tobacco free. (Ref Policy #5225)

#### **Law-Assisted Dog Searches**

Periodic, non-intrusive searches of student lockers, health enhancement lockers, and parking areas may be made. A school official will accompany the police officer on all searches. Searches will be conducted systematically, to insure that all student lockers and parking areas are eventually searched.

#### **Health Risks**

Alcohol and drug use can be very harmful to good health. Alcohol abuse can cause alcoholism, liver disease, and nerve damage, as well as problems with friends, family, employment, money, and depression. Alcohol and illegal drug use, possession, or distribution is prohibited on school property and at school activities. Compliance with this standard is mandatory. If a student is caught in a violation, the parent will be notified. The police may be notified. The student may be suspended, expelled, and/or referred to counseling. An alcohol and drug evaluation may be required. Students will be encouraged to seek help regarding their alcohol or drug issues. All Bozeman schools are tobacco free.
